Dear DR HASSAN

Removal of name from the register for Medical Practitioner and Orthopaedic Surgeon.

Section 24(1)(c) of the Medical and Dental Act, 2004 (Act No. 10 of 2004) prescribes that the Medical and Dental Council 'may remove from the register concerned the name of any registered person who has failed to pay to the Council on or before 31 March of the year concerned the annual fees determined by the Council and payable by that registered person'.

Seeing that we have no proof that you have paid your annual fee for 2024, you are hereby notified that your name has been removed from the register for Medical Practitioner and Orthopaedic Surgeon and your registration certificate is regarded to be withdrawn with immediate effect. You must immediately cease to practice your profession or to perform any act which no person other than a registered person may perform.

Should you continue to practice your profession once you receive this letter, you will be committing a criminal offence and upon conviction, you are liable to a fine not exceeding N\$20,000 or to imprisonment for a period not exceeding five years or the both such fine and such imprisonment.

If you wish to have your name restored to the register, you must complete the attached application form for restoration and pay to Council an amount of N\$ 3,880 in addition to the annual fee of N\$ 6,600. If you are employed, a copy of this letter may be forwarded to your employer.

Sincerely yours

C V Weyulu (Dr)
